

TIAFOE

VS

ARNALDI

Roland Garros 2026 · Quarter-Final · June 1

PICK: ARNALDI ML +91

Confidence: B+ | Model: 54% Arnaldi | Market: 52% (even) | Edge: +2% at +91

Clay H2H edge + break point creation rate tips this dead-even market to Arnaldi. Not a strong lean — this is a genuine coin flip — but at even money Arnaldi's clay résumé is the differentiator.

HEAD-TO-HEAD RECORD

Surface	Result	Tournament	Year	Winner	Significance
Clay	Arnaldi def. Tiafoe	Madrid Masters	2025	ARNALDI	KEY: Arnaldi solved Tiafoe's game on clay. Only clay meeting = Arnaldi win.
Grass	Tiafoe def. Arnaldi	Wimbledon	2024	TIAFOE	Tiafoe owns the grass meeting. Irrelevant at Roland Garros.

Overall H2H: 1-1 (perfectly split by surface) — at Roland Garros, only the clay meeting matters.

PLAYING STYLE — CLAY COURT FIT

TIAFOE	ARNALDI
Style: Power baseline + big first serve	Style: Heavy topspin baseline, defensive retriever
• Explosive off both wings, loves pace	• Built for slow courts — high looping topspin
• Big serve neutralizes clay's equalizing effect	• Strong movement, resets under pressure well
• Inconsistent on clay — streaky, momentum-driven	• Italian clay pedigree — trained on red clay
• Struggles in long physical exchanges (clay specialty)	• Creates more BPs (56.2%) via relentless return pressure
• Lower DF rate (2.3%) = reliable serve weapon	• Higher DF rate (4.1%) — serve can come unglued
• American crowd favorite, big match energy	• Won Madrid 2025 clay — proven QF-level clay form
Clay suit: MODERATE — power game partially neutralized	Clay suit: HIGH — game archetype built for Roland Garros

THE CASE FOR EACH PLAYER

CASE FOR ARNALDI ✓ (PICK)	CASE FOR TIAFOE
• WON only clay H2H: Madrid 2025 — Arnaldi has already solved Tiafoe's game on red clay.	• Better overall clay win rate: 55.6% vs 54.3% — Tiafoe's broader clay record is marginally stronger.
• Higher BP creation (56.2%): Creates more break opportunities via relentless return pressure on heavy clay.	• Lower double fault rate (2.3%): Far more reliable serve than Arnaldi (4.1%) — fewer free breaks given.
• Italian clay pedigree: Trained on red clay, Roland Garros suits his topspin/grind archetype.	• Power game + big moments: Tiafoe elevates in big atmosphere — Roland Garros crowd can fuel him.
• Even money value (+91): Getting what should be a slight favorite at even odds = pure value.	• Better 1st serve win %: 62.8% vs 61.6% — wins more points when first serve lands.
• Style advantage: Heavy topspin baseline neutralizes Tiafoe's pace — exactly what clay does best.	• Can flip it: If Tiafoe lands 70%+ first serves, he short-circuits the long clay exchange game.
